Beyond imagination

The goal and vision of Persepolis Tile from the very beginning has been to become the leading brand in the ceramic tile industry in the country.

To achieve this goal, a comprehensive and well-structured plan has been developed by the management of the factory.

Over the years, despite numerous economic challenges and many ups and downs, the company has consistently pursued the path of growth and progress through the unwavering efforts and dedication of its hardworking managers and staff.

ABOUT US

Persepolis Tile Co, a prominent name in the ceramic tile industry, established on 30 km freeway of Yazd-Bandar Abbas, is placed in the renowned city of Mehriz, Iran. Founded in the year 2007, now holding a production capacity of eight million square meters per year production scale in the ground of floor/wall ceramic & super polished porcelain tiles ranging from sizes 60x60cm to 40x160cm. Under the supervision of leading Italian specialists and utilization of the latest cutting-edge digital HD technology, lies the dignity of Persepolis Tile, making it possible to supply the finest grade of ceramic & super polished porcelain tiles, rectified with numerous sizes and countless choices of multiple designs. Its products further being utilized universally, namely everywhere - residential/commercial floor-wall, outer yards, parking and more. Persepolis Tile Co, with attention to its products diversity in sizes and high grade products provided timely, whether domestic or international, has been rated the highest mass exporter for the years 2014 -2017 and 2019 to over 20 countries globally. Persepolis is the symbol of antiquity, ancient culture and civilization of the Persian people. Thousands of years ago, a nation with a marvelous culture and in compliance with fairness in its interaction with every other individual, compiled the first human rights charter, and today paying honor to our fathers in the city of Yazd, a desert dry land in the heart of Iran (Persia), We have set up an enormous company and named it "Persepolis Tile", because of the magnificent and marvelous palaces of the Persepolis in Iran. With the support of our committed and potent experts, unmatched and most efficient techniques together, a product whether utilized domestically

or internationally, tend to fit in the grand name of the Persepolis Tile Co. At the initiation of phase one, twelve million square meters of ceramic and porcelain tiles were produced annually. We believe that, we should propagate the good name of the Persian people and the renowned place of the Persepolis, by producing top-notch products being offered around the world. Respecting the rights of the consumer satisfaction and in compliance with environmental rules and regulations, lies the foremost aspect of the personnel and managers of the Persepolis Tile Co.

The background of the entire page is a close-up, high-resolution image of a light cream-colored tile. The surface has a natural, organic texture with subtle variations in tone, ranging from a pale cream to a slightly darker, warm beige. There are small, dark specks and faint, irregular veins scattered throughout, giving it a stone-like appearance. The lighting is even, highlighting the fine details of the material's grain.
